Voucher Payment Options

Dear Parents

Many employers offer a salary sacrifice allowing you to pay some or part of your child's nursery fees using vouchers.

Pippa's House Nursery is registered to receive payments from many providers already, however, there are a lot of providers out there and we are unable to register with them unless a parent nominates us as the childcare provider.

Below are the providers we are currently registered with and all the details you need, if yours is not on there please feel free to contact them and ask that they forward their Carer Registration documents to accounts@pippashousenursery.com and we will be happy to start accepting payments from them.

The details you will need are;
